b) By Taxi: A direct transfer from Ezeiza to La Plata by Taxi is possible, and it can cost around \$100 pesos (US\$ 35). You may also choose to transfer from the Ezeiza airport to downtown Buenos Aires by taxi (\$60 pesos / US\$ 20), and afterwards commute with a bus or train to La Plata (US\$ 2).

c) Bus and Train from Downtown Buenos Aires to La Plata: La Plata is 50 Km away from Buenos Aires (aprox. 35 miles). You can go to La Plata either by train (from Constitución station (“Estación Constitución”) or by bus from the Retiro bus station (“Estación Terminal de Retiro”). Traveling by bus is more comfortable and safer. If you decide travelling by bus, we recommend you to take the company called “Costera Criolla”. It takes about 1 hour to reach La Plata bus terminal station, which is about 12 blocks from the university campus (calle 1 and calle 47).
